

Nylon Clamps

- Flip to Spread
- Ratcheting Action
- Quick Release

Nylon Bar F-Clamps made from molded Nylon 6 material for rigidity, structural and impact strength, bar clamp will quickly "flip" converting to a spreader tool, heat treated bar, quick release button allows adjustment of the clamp in seconds, ratchet action pistol grip provides steady incremental pressure, non-marring soft pads

Item No.	Description	Inner	Master	Price
CLFN-12	12" Nylon Quik-Flip™ F-Clamp, 3.2" Throat Depth	12	24	
CLFN-24	24" Nylon Quik-Flip™ F-Clamp, 3.2" Throat Depth	12	24	
CLFN-30	30" Nylon Quik-Flip™ F-Clamp, 3.2" Throat Depth	12	24	

- Ratcheting Action
- Quick Release
- Swivel Pad Tips

Nylon Ratcheting Clamps made from molded Nylon 6 material for rigidity, structural and impact strength, ratchet action provides incremental clamping pressure, quick release lever, swivel pad tips stay square to the work surface providing even pressure

Item No.	Description	Inner	Master	Price
CLQC-05	5" Ratcheting Nylon Quik-Clamp™ , 1.25" Maximum Jaw Opening	48	288	
CLQC-08	8" Ratcheting Nylon Quik-Clamp™ , 2" Maximum Jaw Opening	24	144	
CLQC-10	10" Ratcheting Nylon Quik-Clamp™ , 2.5" Maximum Jaw Opening	12	72	

- High Impact Strength
- Heavy Duty Spring

Nylon Spring Clamps made from molded Nylon 6 material for rigidity, structural and impact strength, heavy duty spring for strong clamp pressure, swivel pad tips stay square to the work surface providing even pressure

Item No.	Description	Inner	Master	Price
SCN2-1	2" Nylon Spring Clamp	25	200	
SCN4-1	4" Nylon Spring Clamp	25	200	
SCN6-1	6" Nylon Spring Clamp	25	200	
SCN9-1	9" Nylon Spring Clamp	25	100	

8 Pc. Nylon Clamp Set made from molded Nylon 6 material for rigidity, structural and impact strength, set contains: 2 pc. 2" spring clamps, 2 pc. 3" spring clamps, 2 pc. 1.5" x 4" F-clamps, 2 pc. 2.5" x 12" F-clamps
